Dear **Dr. Nidea**,

Greetings from Fundación Educación y Cooperación – Educo!

Educo is a global NGO for development cooperation and humanitarian action that works on behalf of children and the defense of their rights, especially the right to receive quality, inclusive and transformative education. Educo Philippines has been operating in the Bicol Region for more than ten years, contributing to development results in education, protection, and governance as well as doing humanitarian action in disaster-affected areas.

Currently, we are implementing a project entitled, *Children Leading, Engaging and Advocating for Community Development and Social Reform (Project LEAD)*. It aims to support the formalization of the structure of the Municipal Children's Federation (MCF) and build their capacity in collectively developing and implementing children's agenda. It also aims to strengthen the capacity of Local Council for the Protection of Children (LCPC) in support of MCF's and Barangay Children Organization (BCO's) advocacies. This is an 18-month project, to be implemented in the three municipalities (Donsol, Castilla and Pilar), in 28 barangays (10 in Donsol, 10 in Pilar, and 8 in Castilla) in Sorsogon.

To enable children to build child friendly communities, Educo will conduct a **1-day Gender Awareness Training** to MCF officers in the Municipality of Castilla, Donsol, and Pilar. It aims to raise awareness on the understanding to basic concepts of gender, gender issues and promote gender equality among their organization.

*With this, may we please invite the following students to attend the said activity on **August 17, 2019, 8:00AM- 4:30PM at Vitton Beach Resort, Brgy. Dancalan, Donsol, Sorsogon.** Attached the list of students to be invited and the provisional program of the activity for your reference.*

Please note that the project will shoulder the transportation and meals of the participants. As a child-centered organization, please also be ensured that Educo will guarantee the welfare of the children in accordance with the organization's child safeguarding policy. Should you have any inquiry, please feel free to contact the undersigned at +63 956 670 4878 and email [Adan.monterde@educo.org](mailto:Adan.monterde@educo.org).

We look forward to your favorable response.
