Capitol Compound, Sorsogon City 4700

Dear Dr. Nidea,

Greetings from the UP College of Education!

Thank you so much for your continued support in our Sorsogon STEAM Innovation Program. With your help, we were able to complete the Design Thinking Workshop which was attended by over 100 teachers from all the public schools in Sorsogon. These accomplishments are the real proof that we can reach greater heights through 'bayanihan'.

As we continue with the next phases of our Innovation Program, may we ask again assistance and support from your good office during the Pretest Administration. Mr. Tristan Orbeta, manager of Center for Integrated STEM Education in the Philippines (CISTEM), will be conducting the said data gathering starting from June 10 to June 14. We hope that you can help us in providing the transportation needs of Mr. Orbeta as he will be visiting 9 schools across Sorsogon Province. Additionally, we would like to request coordination with the schools to be initiated by Ms. Michelle Guadamor. Rest assured that we will be sharing the outputs of this data gathering to you.

Should you have any questions or clarifications, you may contact Dr. Sheryl Lyn Monterola, Executive Director of CISTEM, at 09171671024 or (02) 981-8500 local 2811. Hoping for your favorable response. Thank you!
