Dear Madam Nidea,

Greetings!

The annual celebration of National Arts Month started with the signing of Presidential Proclamation 683 in 1991, declaring February as National Arts Month. All of the activities carry the theme, "Ani ng Sining, Alab ng Sining" (Harvest of the Arts, Flame of Art). The Provincial Government of Sorsogon together with the Sorsogon Provincial Tourism Office and Sorsogon Museum and Heritage Center, Inc. formulated several activities for this occasion.

In line with this, we would like to seek your kind assistance by inviting grade 5 and 6 students as participants in the activities lined up in celebration of the National Arts Month 2019. There will be a Visual Arts Exhibit with Free Lectures on Sketching, Drawing and Painting. Also, a free face painting will be done for the students to enjoy.

This activity will run from February 14 until 17, 2019. We would like to invite selected students during the weekday (Feb. 14 & 17, 2019). Please see attached proposed schedules of schools to be invited.

We hope you can grant our humble request even for a very short notice. For confirmation and other concerns please contact us thru Mr. Arvin "Barbie" Lagata @ 0949-345-2894 or Mr. Jerome D. Dio @ 0912-236-6422.

Thank you very much!
