30th National Statistics Month (NSM) Celebration

NSM Jingle-Making Contest Mechanics and Guidelines

I. Introduction

As part of the 30th National Statistics Month (NSM) celebration, the Philippine Statistics Authority (PSA) conducts a nationwide NSM Jingle-Making Contest as part of its advocacy to firmly establish the significance of the NSM.

The objectives of the Contest are the following:

- To create awareness and familiarity on the NSM celebration
- To highlight the importance of statistics to every Filipino

The NSM was first observed in 1990, and annually thereafter, pursuant to Presidential Proclamation No. 647, *Declaring the Month of October of Every Year as the National Statistics Month*. The celebration is observed nationwide where all regions conduct their respective activities advocating the importance of statistics, e.g., contests, exhibits, fora and seminars. Each year, it focuses on a specific sector in which the main goal is the promotion and improvement of statistics in that particular sector.

The winning entry will be used by the PSA in its NSM advocacy, promotions, and other related activities.

II. Who May Join

The Contest is open to all amateur/professional songwriters, musicians, music enthusiasts and other interested parties in the country.

Employees of the PSA nationwide are also qualified and encouraged to join the contest.

Contestants below 18 years old must secure and submit a parental consent to be able to join the contest.

III. Specific Guidelines to Observe in the Preparation of the Jingle

The jingle must highlight and revolve around the objectives of celebrating the NSM, as follows:

- promote, enhance and instill awareness and appreciation of the importance and value of statistics to the different sectors of society
- elicit the cooperation and support of the general public in upgrading the quality and standards of statistics in the country
