Schools Division Superintendent
Sorsogon Province Division

Dear SDS Doncillo,

Greetings from **CISTEM** and **Unilab Foundation**!

In connection to our ongoing **STEAM Research and Innovation Initiative**, may we seek again assistance and support from your good office in the **Post-Test** administration. We plan to create a Task Force composed of teachers from the nine (9) STEM Schools to provide help in conducting the said data gathering starting from **July 27 to July 31**. This part of the project is significant to evaluate the effectiveness of our STEAM initiative.

We would like to propose three options in accomplishing this task:

1. **Online Post-Test:** The students will be asked to access a link then take the test. For this option, kindly share the link below to the participants:

tiny.cc/cistempost

2. **Pick-up and Drop-off Points**
3. **House-to-House Distribution**

We also hope to schedule a meeting with the Education Program Supervisors and teachers to further discuss the details of this request.

Thank you very much for your continued support.

Best regards,

Lilibeth C. Aristorenas
Executive Director, ULF

Sheryl Lyn C. Monterola, Ph.D.
Executive Director, CISTEM
