JOSE L. DONCILLO, Ph.D.
Schools Division Superintendent
Sorsogon Province Division

Dear SDS Doncillo,

Greetings from **CISTEM** and **Unilab Foundation**!

Moving forward with our STEAM Initiative in the province, the Center for Integrated STEM Education, Inc. (CISTEM) is doing the **Teacher Readiness on Digital Learning Survey** to determine teachers' perspectives on continuing the teaching and learning process using digital technology. This will map the digital readiness of the teachers who will be involved in the sustainability of the STEAM Research and Innovation Project.

In this regard, we would like to request again your assistance in the conduct of the survey to schools offering STE in Junior High School and STEM in Senior High School using the link below:

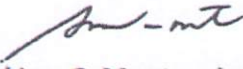

<http://tinyurl.com/cistemsurvey>

The survey will take approximately 10-15 minutes to answer. Rest assured that teachers' responses will be treated with strict confidentiality. Should you have further questions or clarifications, feel free to contact Melvin Magsayo, Deputy Director of CISTEM through (+63) 917-179-4802 or email at melvin.magsayo@unilabfoundation.org.

Thank you so much for your continued support and stay safe.

Best regards,

Lilibeth C. Aristorenas
Executive Director, ULF

Sheryl Lyn C. Monterola, Ph.D.
Executive Director, CISTEM

SCHOOLS DIVISION OF SORSOGON
SORSOGON

July 22, 2020

TO: ALL SCHOOL HEADS OF STE AND STEM SCHOOLS

Science, Mathematics and Research teachers handling STE Grade 7- 10 and STEM Grade 11-12, SY 2020-2021 are requested to accomplish the survey form using the given link.

For information and dissemination.

JOSE L. DONCILLO, CESO V
Schools Division Superintendent
