Dear School District Supervisor,

Thank you very much for the continued support you have extended to Knowledge Channel Foundation Inc., on its School at Home webinars held last September 16-17 and October 2.

We believe learning should not stop here and a lot of learning opportunities for teachers are readily available virtually during this pandemic.

One of our education champions and partners, Rotary Club District 3830, will be hosting its 2nd Townhall on Education with the topic "High School Teaching and Learning Challenges Today and Beyond" to be held via Zoom on October 13, 3:30 PM.

This webinar is FREE. To register, you may click this link: <https://us02web.zoom.us/j/84451234567>

We earnestly hope that your kind office will be able to disseminate this to the public school principals and teachers in your region.

Maraming salamat po at isang matagumpay na back-to-school!
