MEMORANDUM:

TO : Schools Division Superintendents

FROM : 
 GILBERT A. SADSAD
 Regional Director

SUBJECT : DISTRIBUTION OF DELIVERED TEXTBOOKS TO LEARNERS

DATE : OCTOBER 13, 2020

DEPARTMENT OF EDUCATION
 REGIONAL OFFICE NO. V
 RAVALO, LEGAZPI CITY

OCT 14 2020

RELEASED BY: 

OCT 14 2020
 2:13 pm

This Office has received various feedbacks from the field regarding the opening of classes which includes the distribution, retrieval and utilization of our Self-Learning Modules (SLMs) and the different learning modalities responsive to the new normal. Notwithstanding the comments we received from the social media, most feedbacks are overwhelming which inspired us to be more efficient in the delivery and better improve the quality of modules we are preparing for the next Quarters.

To substantiate the SLMs used by our learners, Schools Division Offices are advised to monitor the distribution of all books delivered to the schools. School heads shall see to it that the books were distributed to the learners to be used as reference while on modular distance learning. The usual protocols in the distribution and retrieval process may be adopted by the schools as long as all books are properly accounted for. It is expected that books are distributed by the end of October 2020.

Widest dissemination of this memorandum is highly expected.
