JOSE L. DONCILLO, CESO V
Schools Division Superintendent
Sorsogon Province Division

Dear SDS Doncillo,

Greetings from CISTEM!

Congratulations to the winners of the Sorsogon STEAM Research and Innovation Competition from Sorsogon Province Division! The successful pivot of the Community STEAM Expo to a virtual innovation competition despite the pandemic would not have been possible without your official endorsement and generous support. We are grateful for your continued partnership with us in creating a culture of inquiry and innovation for community- and nation-building.

To prepare for the next cycles of implementation, it is important to evaluate the program using the lens of teachers and students -- their experiences in designing and actualizing STEAM innovations. Their valuable knowledge could inform our future steps together and further enhance the program.

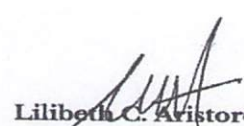

In this regard, we would like to ask for your assistance in reaching out to the STEAM teachers in Sorsogon City Division and their students who took part in the STEAM Initiative to answer a short online survey. The survey consists of six (6) open-ended questions about their engagement in the STEAM innovation program and can be completed in about 15 minutes. The survey can be accessed through this link: <https://tinyurl.com/SorsogonSTEAM>. We hope to receive the responses within three (3) weeks after the survey is launched. Rest assured that any collected data will be handled with the strictest confidentiality and will be used solely for research and evaluation.

Should you have any questions, please feel free to contact Mr. Aljhun Datchberl Tapalla, CISTEM project officer, through email at agtapalla@up.edu.ph or phone number (+63) 917 845 4926.

In the spirit of #STEMParasaBayan, we look forward to your favorable action on this request and the continued partnership between Sorsogon City Division and CISTEM. Thank you.

Sincerely yours,

Sheryl Lyn C. Monterola, Ph.D.
