MUSEUM GENERAL RULES

○ **HEALTH PROTOCOL:**

- Wear your face mask and face shield at all time.
- Maximum of 5 guests per group and per gallery.
- Please present a valid ID upon registration.
- Ages 15-65 years old only.
- Fill-out the registration slip in advance.

○ **Group Tour:** Group with a minimum of ten (10) guests shall be booked beforehand.

○ **Do not touch museum artifacts and works of art.** Your touch may not seem like much, but even the slightest contact can damage the surface of a painting, discolor stone, and even rust metal.

○ **Keep a safe distance between you and museum displays.** This helps to avoid accidental touching or bumping.

○ **Use only pencils.** If an accident should occur, a pencil mark is easier to remove than a pen mark. Members of the security and visitor services staff are happy to provide a pencil if you would like to write or draw during your museum visit. Be careful not to point with your pencil or other objects; this can endanger works of art and other museum displays.

○ **No leaning on walls, cases, and partition walls (either to write or for physical support).** This helps keep works of art hung on the walls or displayed in cases safe. Feel free to sit on the benches or the floor as you talk, write, or draw.

○ **No food and drink allowed in the galleries.** The art and information in the museum will provide plenty of food for thought as well as a feast for the eyes!

○ **Running, pushing, and roughhousing are not allowed in the museum.** Appropriate museum behavior is necessary to avoid accidentally bumping into and damaging museum exhibits.

Photography: We welcome visitors to photograph or videotape works of art owned by the Museo Sorsogon and exhibit display for personal use only. No flash, please!

○ Bags, foods, drinks, and hand-carried items should be left inside their service vehicle.

○ **Firearms and smoking** are strictly prohibited inside the museum premises.

○ **No pets** are allowed inside the Museum premises.
