DIVISION MEMORANDUM
No. 187 s. 2024

RESUMPTION OF SCHOOL-BASED IMMUNIZATION (SBI)

To: Assistant Schools Division Superintendent
Chiefs, CID and SGOD
Public Schools District Supervisors/OIC PSDS
Elementary and Secondary School Heads
School Health Section Personnel
All Others Concerned

1. The Department of Health and Department of Education School-Based Immunization (SBI) program has been implemented since 2015 every August in public schools nationwide per DepEd Memorandum No. 82 s. 2015, to provide protection against vaccine-preventable diseases (VPD's) such as measles, rubella, tetanus, diphtheria and human papilloma virus (HPV). The onset of the COVID-19 pandemic, however, has prompted the shift from school-based to community-based setting due to mobility restriction and suspension of in-person classes in schools.
2. With the full resumption of face-to-face classes, school learners are at high risk of contracting Vaccine-Preventable Diseases(VPDs); thus, the DOH, LGU and DepEd shall implement the resumption of School-Based Immunization (SBI) in October 2024.
3. The LGU, DOH, and DepEd shall conduct coordination, planning, demand generation, screening, vaccination, reporting, adverse reaction following immunization management, catch up immunization and other technical assistance needed in the schools.
4. There will be an orientation for medical officer, school nurses from school health section, school nurses from IU's and Public School District Supervisors(PSDSs)/OIC-PSDSs on School Based Immunization (SBI) on August 22, 2024 8:00am at LIKAS Ridge, San Pedro, Irosin, Sorsogon to be facilitated by Provincial Health Office-Sorsogon.
5. During the preparatory activities, the school shall endorse the master list of learners using the recording form 1, 2, and 3 (enclosed in Annex A), from Grade 1 & 7 for Measles-Rubella (MR) and Tetanus-Diphtheria (Td), and from Grade 4 (female only) for Human Papilloma Virus (HPV) vaccination, to their

local health center or RHU at least a month before the School-Based Immunization (SBI) implementation. Soft copies of the Recording Forms can be downloaded from this link: <https://bit.ly/4dGuJQb>

6. The school head in collaboration with the local health center and school nurses shall conduct health education and promotion activities such as during Flag Ceremonies, part of lectures for relevant classes or Parent and Teacher Association (PTA) meeting to the parents and learners to raise their awareness and willingness on School-Based Immunization (SBI). Also, the local health center shall inform the school on the schedule and suggest the set-up of temporary vaccination post within the school premises.
7. Prior to School-Based Immunization (SBI) activity, Relief International in coordination with the LGU and DepEd personnel will provide the hard copy of notification letter and consent forms (enclosed in Annex B) to augment the needed form for the school. Likewise, school head shall issue notification letter and consent form to the parents of learners and shall be retrieved prior to School-Based Immunization (SBI) schedule. No learner shall be vaccinated without parent's consent. Soft copy of this form can be also downloaded from this link: bit.ly/3AdRGYc
8. Travel and other incidental expenses incurred are chargeable to local funds/MOOE subject to the usual accounting and auditing rules.
9. For information, guidance, and strict compliance of all concerned.
