GILBERT T. SADSAD,
Regional Director
Department of Education – Region V

Attention: **Grace U. Rabelas, Chief, CLMD, Region V**
Chozara Duroy, Science Coordinator, CLMD, Region V

Dear Director Sadsad,

Warm greetings from Tata Consultancy Services (TCS) Philippines.

Following the successful signing of the Memorandum of Understanding (MoU) between the Department of Education Region V and TCS for the implementation of the goIT digital innovation program, we are pleased to move forward with the next phase: capacity-building through the Training of Trainers (ToT) and the rollout of the program across all school divisions in the region.

In line with this, we respectfully propose the following schedule:

1. Training of Trainers (ToT) with Identified Teacher Champions

Date: August 29-30 (3 hours each day)

Mode: Online

Participants: 6 Teacher-representatives from all Schools Division Offices (SDOs)

Program Details: (please see below)

✓ 7'ns (4 7'ns)

2. Division-Level goIT Rollout

Start of Implementation: September to March 2025

Mode: Face-to-face or blended sessions, depending on local context

Target Participants: Junior and senior high school students from selected STEM and ICT-focused schools

Program Details to be discussed; Shirts, meals, and other TCS branded materials will be given to all participating students and winners.

The goIT program aims to build 21st-century skills such as design thinking, problem solving, digital innovation, and teamwork—aligned with DepEd's thrust toward inclusive and future-ready education.

We deeply value the support of DepEd Region V and your leadership in making this initiative meaningful for students across the Bicol region. We will coordinate closely with your office and the designated focal persons to finalize logistics and ensure smooth implementation.

In case you have any concerns or clarifications, you may call 09686608375 or send an e-mail to patrick.veril@tcs.com. We look forward to being your partner in creating more digital innovators for the youth of Bicol Region. Thank you.

With utmost respect,

Patrick Jay Veril
Head, Corporate Social Responsibility

goIT Curriculum:

Through goIT Live, students dive deep into the industry designed, student tested, and teacher approved curriculum. Explore concepts such as: The STEM skills gap, design thinking, problem solving, rapid prototyping, and creating an entrepreneurial pitch.

Choose from a wide range of goIT Tech Pathways including:

Mobile App Design

Design a functioning mobile app prototype using one of several block-based coding tools

Microprocessors

Use the globally popular Micro:Bit tool to create a gadget that monitors, senses, alerts others about a global problem

Internet of Things

Use a combination of microprocessors to measure, analyze and share data pertaining to a global problem

AI

- Machine Learning
- Generative AI

Explore the exciting world of AI through Google's Teachable Machine and ChatGPT to creatively ideate and develop a tech-for-good AI model

And More!

The goIT team is always building new pathways worth exploring. Stay tuned for our next pathways in Cyber Security, Blockchain and Generative AI coming soon!

“

Before I participated in goIT, I didn't know anything about the (U.N.'s) Sustainable Development Goals, let alone that I could actually help achieve them! I have new skills and more confidence, and I know I can create a meaningful project, thoroughly research any topic, and pitch my ideas effectively.
