SUBJECT : REITERATION OF POLICIES ON THE SAFE AND RESPONSIBLE
USE OF THE INTERNET AND RELATED DEVICES

DATE : JUN 30 2026

Pursuant to the Department of Education's (DepEd) commitment to promote and uphold the welfare, safety, security, and protection of all learners and personnel, this Office reiterates the strict implementation of and compliance with existing policies and guidelines concerning the promotion of safe and responsible use of the internet and related devices.

DepEd Order No. 6, s. 2026, titled *Guidelines on Ensuring a Safe and Motivating Learning Environment (ESMLE)*, expressly prohibits the use of portable electronic devices during instructional hours by both learners and personnel. However, exemptions are granted in meritorious cases, specifically for academic purposes (e.g. accessing educational platforms, digital resources, or participating in authorized online collaborative activities) and emergency situations (e.g. facilitating communication during disasters, medical crises, or other immediate safety concerns). This includes the prohibition of the usage of, but not limited to, social media, online games, content creation, and vlogging during class hours.

Guided by the ESMLE Framework, a whole-of-society approach is necessary in order to properly guide learners. Parents, Local Government Units, Police and other Law Enforcement agencies, other government agencies and instrumentalities, Non-Government Organizations/Civil Society Organizations, and all other stakeholders

each have a collective role to play to ensure that the learners develop responsibility and empathy towards others, even outside the classroom.

In the interest of further promoting the aforementioned values, all field offices and schools are hereby directed to ensure the widest dissemination of these policies to all stakeholders and to **intensify the campaign on the safe and responsible use of the internet and related devices.**
