Dear Superintendent Doncillo:

Warm Greetings!

The USAID project on Advancing Basic Education (ABC+) in the Philippines started in 2019 and will end in 2024. For this year, a team of evaluation specialists is conducting an external performance evaluation. Our team is mobilized by Panagora Philippines under USAID's CLAIMDev Project.

The evaluation of ABC+ will use online survey forms to collect data from the school level for each division. It covers the Division of Sorsogon in which ABC+ is being implemented. In line with this, we would like to request your assistance in collecting data in your division. The survey data collection will be from September 27 to October 5, 2022. Attached is the list of schools that were sampled for your reference as well as the link to the online survey forms:

For the teachers: <https://forms.gle/LtnXKBzoASVVG2b9>

For the school heads: <https://forms.gle/9QM6rsssziDAGUW6>

We understand that our request comes at a short notice, but we rely on your support and prompt action to ensure that ABC+ evaluation activities will be conducted as scheduled. Our timely evaluation is crucial in ensuring that imminent activities of ABC+ will be informed by evaluation results.

Attached is the letter of USAID to Usec. Gaviola with acknowledgment from his office.

Should you have any questions about this request, please feel free to contact Mr. Randolph S. Sasota, at randolph.sasota@gmail.com or by telephone at (092)2587269.

Thank you very much for your consistent support of USAID projects.

Respectfully yours,
