Dear Sir Doncillo,

Greetings!

With the theme "*Translate. Transfer. Transform. Research and Extension Practices in 4.0*", the Sorsogon State University is launching its first SOUTHEAST ASIAN MULTIDISCIPLINARY RESEARCH EXPO AND EXTENSION CONFERENCE 2023 (SEAMREEC) on March 1 to 4, 2023 in the City of Sorsogon. Envisioned to create an avenue for intercultural exchanges among the various academic and professional fields, this transnational event aims to enhance knowledge-sharing and collaboration among ASEAN higher education institutions as well as to foster socio-academic camaraderie and cultural awareness among scholars and practitioners in the Philippines and across the region.

To achieve the successful culmination of this enterprise, we cordially invite you, your staff and the public school teachers of the Sorsogon Province Division to share with us this historic event of our university. If you wish to present any completed research and extension projects in this event, we encourage you to submit the abstracts to our email on or before the specific dates in the conference website. This will facilitate the thorough screening and selection of entries for the plenary sessions and lectures.

As a balanced fusion of scholars' forum, cultural- and eco-tourism, we hope to see you engage in comprehensive discussions with local and foreign experts in this international forum; forge new collaborative partnerships with other scholars and institutions; experience the province's colonial heritage with its centuries-old architectural landmarks; savor our distinctly Bicolano culinary delicacies; and totally immerse yourself in the natural beauty and friendliness of Sorsogon and its people.

For more information, please visit our official website at <https://seamreec2023.sorsu.edu.ph>. You may also direct any relevant inquiries to the conference director, Dr. Ana Cristina G.
