**Mr. WILLIAM E. GANDO, CESO VI**  
School Division Superintendent  
Schools Division Office of Sorsogon

Dearest Dr. Gando:

Greetings!

The Sorsogon State University Graduate School will sponsor a Research Colloquium on May 12-13, 2023 with the theme *"Perform, Practice, Publish: Meeting the Challenges for Education Revolution 4.0"*. This event aims to showcase the completed theses and dissertations of the graduate students of the University through four parallel sessions of paper presentations along qualitative, quantitative, developmental, and practice-based research (action research).

Since research is highly important in advance education, all the graduate students of SorSU Graduate School are required to attend this two-day activity. To cover for the food, professional fee and transportation expenses of the speaker, certificates, prizes, and other incidental expenses, every student shall be charged a registration fee of Php. 1,200.00. For those students who can register on or before April 15, 2023, they shall only pay a registration fee of Php. 1,000.00 only.

Thus, we would like to request to please allow the teachers (who are enrolled this semester) under your division to compulsory attend the said activity.

Attached is the program/invitation for your reference.

Thank you very much for your usual support and we look forward to our kind recommendation.

Very truly yours,

  
**GERALDINE E. DE JESUS, Ed. D.**  
SUC President III
