DIVISION MEMORANDUM
No. **219** s. 2023

**DIVISION MASS TRAINING ON HIGHER ORDER THINKING SKILLS
PROFESSIONAL LEARNING PACKAGES(HOTS-PLPs) FOR MATHEMATICS,
SCIENCE AND ENGLISH TEACHERS**

To : Assistant Schools Division Superintendent
Chiefs, CID and SGOD
EPSs in Science, Mathematics and English
Public Schools District Supervisors/ District In-charge
Elementary and Secondary Heads
All Others Concerned

1. After the participation of the DepEd Sorsogon Province to National and Regional Training of Trainers, we are pleased to announce the conduct of **DIVISION MASS TRAINING ON HIGHER ORDER THINKING SKILLS PROFESSIONAL LEARNING PACKAGES (HOTS-PLPs) FOR MATHEMATICS, SCIENCE AND ENGLISH TEACHERS** on November 9-20, 2023 within Sorsogon at a venue to be announced.
2. The “Higher Order Thinking Skills Professional Learning Packages (HOTS-PLPs) for Mathematics, Science and English Teachers” is listed as one of the Priority Professional Development Programs of the National Educators Academy of the Philippines as per DM-OUHROD- 2023-0851 or the *List of Priority Professional Development (PD) Programs for Teacher and School Leaders with Activities to be charged against HRD Funds in SDOs*. In this Division Mass Training, selected teachers will be capacitated on the content of the HOTS-PLPs Program for its massive implementation to the Grade 7 to 10 teachers.
3. The conduct of Activities for HOTS-PLPs is necessitated to support the public-school teachers in performing pedagogy and assessment practices that promote higher order thinking skills for Grade 7 to 10 as per unnumbered memorandum from Gloria Jumamil-Mercado, Undersecretary for Human Resource and Organizational Development, titled *Conduct of Activities for the “Higher Order Thinking Skills Professional Learning Package (HOTS-PLPs) for Science, Mathematics, and English Teachers”*.

 Region V
SCHOOLS DIVISION OF SORSOGON

4. The program aims to:
- Support teachers in understanding HOTS and in reflecting these skills in their respective classroom practices through the development of HOTS items/ questions for Science, Mathematics and English/ Reading subjects;
 - Help the teachers in performing pedagogy and assessment practices that promote HOTS; and
 - Develop guide materials intended for master teachers, school heads, and supervisors to support them in their mentoring roles in schools with a focus on helping teachers.
5. The office has endorsed participants in the Capacity Building for the Core Team of Trainers, National and Regional Training of Trainers per learning areas who will be served as trainers in the Division Mass Training.
6. The activities to be conducted under this division implementation are the following;

Title of the Activity	Date and Venue	Participants

Overview

FEATURES OF THE PLPs

- Address PPST indicators 1.5.2 and 1.5.3, PPSSH indicator 3.2.2, and PPSS indicator 3.4.2.
- Advocate different learning approaches and modalities through distance and blended (multi-modal) learning
- Suitable for Learning Action Cells (LAC), online presentations, classroom applications and mentoring
- Accessible online and offline

The Philippines, for the first time in 2018, took part in the Programme for International Student Assessment (PISA). It is an assessment that measures 15-year-olds' ability to use their higher-order thinking skills (HOTS) in Reading, Mathematics and Science to meet real-life challenges. Of the 79 countries that participated in the PISA, the Philippines was ranked last in Reading and second last in Mathematics and Science. These results suggest that most Filipino students are not ready for life after school.

These areas of learners' poor performance were interestingly identified in an analysis of teachers' performance in the Teacher Development Needs Study (TDNS, 2014). The poor assessment results for Filipino learners, therefore, necessitate a reform initiative directed at supporting the strengthening of teachers' subject knowledge and pedagogy to improve learner performance. To assist in this reform initiative, the National Educators Academy of the Philippines (NEAP) and the Research Center for Teacher Quality (RCTQ) collaborate to develop Professional Learning Packages (PLPs) in Mathematics, Science, and English/Reading for teachers in grades 7 and 8, and grades 9 and 10.

The PLPs will (i) have a theoretical focus on the Structure of the Observed Learning Outcome (SOLO) model by Biggs and Collis (1982); (ii) address the appropriate indicators in the Philippine Professional Standards for Teachers (PPST), the Philippine Professional Standards for Supervisors (PPSSH), and the Philippine Professional Standards for School Heads (PPSS); and (iii) support the development and application of collaborative expertise in teachers, master teachers and school heads to underpin their own development through the Learning Action Cells (LAC).

What benefits can target users get from the project?

The PLPs will

- support teachers in understanding HOTS and in reflecting these skills in their respective classroom practices through the development of HOTS items/questions for Science, Mathematics, and English/Reading subjects
- help teachers in performing pedagogy and assessment practices that promote HOTS, and
- guide master teachers and school leaders in their mentoring roles in schools with a focus on helping beginning teachers
