Balogo Sports Complex, Balogo, Sorsogon City

Dear Mr. Gando:

Warm greetings!

The Bicol University Open University (BUOU) students of Master in Local Government Management (MLGM), Master in Public Administration (MPA), and Master in Management (MM), who are currently enrolled in the 2nd semester of Academic Year 2022-2023, will spearhead a three-day webinar entitled "**International Webinar on Organizations' Resiliency, Inclusivity, and Sustainability towards Environment, Social, and Governance (ESG)**" on April 18-20, 2023, via Zoom, and will also be streamed live through the BUOU official Facebook page.

The webinar will be offered for free to Bicol University students, faculty, and staff; other lined agencies (government or private); and other interested participants (from all over the country and from outside the Philippines). This endeavor aspires to enhance the participant's knowledge and skills to give Environment, Social, and Governance (ESG) a more profound understanding in a meaningful perspective. Moreover, the webinar aims to facilitate the exchange of knowledge, best practices, dynamics, and experiences amongst civil servants, practitioners, educators, students, and other related parties further to promote lifelong learning, offer opportunities for professional development, and kindle a passion and core for service.

In this light, I am pleased to invite your agency to the above-mentioned webinar. The registration link and additional information about the event are attached to this letter.

We look forward to hearing from you soon and hope to have your presence at this event.

Thank you very much, and Godspeed.

Respectfully yours,
