1. As we gear up for the upcoming Palarong Pambansa 2024, it is imperative that we ensure not only the readiness of our athletes but also the enhancement of our surroundings. In line with this, the attached list of Division Technical Working Group (TWG) is tasked with improving the surroundings of **Don Sergio Osmeña Memorial National High School**, in **Cebu City** which will serve as the billeting school for the Bicol Region during the Palarong Pambansa.
2. All concerned parties are urged to extend their full cooperation and support to the Division TWG. Let us harness our collective efforts once again to ensure that the surroundings of the billeting school exemplify cleanliness, sustainability, and aesthetic appeal. By upholding these standards, we not only contribute to the success of the Palarong Pambansa but also uphold our commitment to environmental preservation.
3. Being the division tasked to green the billeting school of the Region, the technical group who is authorized to travel to Cebu by batch. It can be recalled that similar task was entrusted to Sorsogon province last year at Marikina City where Bicol region was hailed champion in Clean and Green, thanks to the support of all schools in the province and the cooperation, dedication and passion of all members of the then technical working group.
